The LibertyRx plan has been a god-send to me! I have heart disease, and have had 2 by-pass surgeries in the past 15 years. As a result, I take a dozen or so different medicines to keep my condition stable. I had been paying almost \$1300.00 a month through a Medicare D plan, but when my neighbor told me about LibertyRx I asked for more information, and signed up right away! My monthly out-go for my prescriptions went from \$1,286.54 to \$282.81! If I hadn't seen it myself, I wouldn't have believed it!

This is the best kept secret in America! Thank you LibertyRx!
